## DIRECT SUPPORT PROFESSIONAL WEEK 2017

National Direct Support Professional (DSP) Week was held September 10<sup>th</sup>-16<sup>th</sup>. We took this time to recognize all the hard work that our DSP's do every day. We held a daily trivia competition for prizes, recognized star employees, hosted a DSP Conference with other providers, and ended the week with a nacho bar and prizes at our admin office. Our management team also took the time to personally thank their staff with special gifts. Thank you for making a difference in people's lives each day!

*"The measure of a country's greatness should be based on how well it cares for its most vulnerable populations."* **Mahatma Gandhi**

## SPECIAL OLYMPICS

We have several athletes and our own Amy Brooks participating in bocce ball and one athlete in golf this Fall with Special Olympics Unified Partners. They work very hard to improve their skills each week. The championship for bocce will be held October 31<sup>st</sup> and on November 7<sup>th</sup> for golf.

## NATIONAL DISABILITY EMPLOYMENT AWARENESS MONTH

Held each October, NDEAM aims to educate about disability employment issues and celebrate the many and varied contributions of America's workers with disabilities. It is led by the U.S. Department of Labor's Office of Disability Employment Policy, but its true spirit lies in the many observances held at the grassroots level across the nation every year. Employers of all sizes and in all industries, are encouraged to participate in NDEAM.

## SAVE THE DATE!

Our annual holiday party will be held Friday, December 1<sup>st</sup>. Look out for a formal invite and detailed RSVP instructions!

## ADVOCACY CORNER

*Topic:* How can someone really make a difference?

*Action:* Getting involved in public policy campaigns is a meaningful, on-the-ground activity where you can make a difference. Mobilizing support from others that have a similar desire for change can help push the positive support for your advocacy campaign. These stakeholders can bring different ideas, skills, and resources

*Desired Outcome:* Being an effective and impactful voice for change. Also, learning what can be improved and built upon to get the desired results that you are advocating for.
